Can we have a pet please? A pet please? A pet please?  
Can we have a pet please? Anything will do.

Can we have a black cat? A fat cat? A wombat?  
A spider or a tiger or a jumpy kangaroo?

Can we have a long dog? A small dog? A mad dog?  
A puppy or a guppy or a cock-a-doodle-doo?

Can we have a pet please? A pet please? A pet please?  
Can we have a pet please? Anything will do.

Can we have a big pig? A pink pig? A guinea pig?  
A monkey or a donkey or a pretty cockatoo?

Can we have a dormouse? A field mouse? A woodlouse?  
A lizard or a buzzard or an owl toowit-towoo?

Can we have a pet please? A pet please? A pet please?  
Can we have a pet please? Anything will do.
