

## Small is the Seed

small is the seed  
small is the rain  
small is the bird  
small is the star  
small is the stone  
small is the wave  
small is the breath  
small are the hands

tall is the tree  
wide is the river  
strong is the wing  
bright is the gleam  
vast is the mountain  
deep is the sea  
brave is the voice  
bold is the heart
