Skyscrapers

by Tabitha Brewer

Went to London for the first time last weekend,
you know
that big city on that big river
supposedly the capital

Whatever that means

Dad had to go there for work
said it would be good to
“see the sights”

and boy, did we see the sights

Now,
don't get me wrong
I had a *great* time
London was pretty spectacular and all that

But can we talk about what they call their buildings?

Man, them Londoners are bonkers
or hungry
or both

The Gherkin
The Cheese grater
The Pringle

But wait for it

The Walkie-Talkie

The Walkie-Talkie?

Whatever that is

Went to London for the first time last weekend,
you know
that big city on that big river
that named a skyscraper after a pickled cucumber
