Three Double Dactyls

by Evelyn Day

RUSSEL B. HARRICUS

Bearicus scaricus,
Russel B. Harricus,
Closely examining
Footprints and hair,

Guided by knowledge of
Cryptozoology,
Shares his conjecture that
Bigfoot was there.

EMILY PACKINGTON

Slippington slappington,
Emily Packington
Put a banana peel
Onto the ground,

Claiming she's researching
Accidentology,
Testing out tactics for
Tumbling down.

ICE CREAM MAN ATTICUS

Sitticus satticus,
Ice Cream Man Atticus,
Fastest at filling the
Cones and the cups,

Aided immensely by
Ambidexterity,
Scooping the ice cream with
Both hands at once.
