Pocket of Time

I found a pocket of time
in an old jacket of mine.
I wondered what would happen
if I put something inside?

So I put in a plum
and it turned to a prune.

I put in May
and it turned into June.

I put in a cub
that turned to a bear.

I put in a seed
that turned to a pear.

I put in a pebble
that turned into sand.

I've got to make sure
not to put in my hand!
